|| Passenger Lift

We offer passenger lifts with variable passenger capacity and provide a desirable product incorporated with the latest and best machinery for your use. Our after sales service ensures you a long run and maintenance free smooth lifting at your disposal.

TYPES:

- ♦ Traction Lift
- ♦ Machine Room Less Lift (MRL) :- No Machine Room Required

Goods Lift ||

We provide an exclusive range of goods cage lift. These precision made lifts are guided by a hoist and various push buttons with limit switches that are properly interlocked. Fitted with or without shutters, these heavy duty goods lift / cage lifts caters to the needs of diverse industries with varying load capacities ranging from 1.5 Ton to 5 Ton.

TYPES:

- ♦ Goods cum Passenger Lift
- ♦ Goods Lift (Only for Materials/Goods)

|| Home Lifts

With the best safety features incorporated in the system and latest lifting mechanism, we provide you safe and comfortable lifting at your home. Customized to meet your requirements.

TYPES:

- ♦ Bungalow Lifts ♦ Duplex Flat Lifts

Hydraulic Lifts ||

A Simple mechanism with smooth operation. The ideal elevator for small rise industrial buildings / showrooms, offices and go-downs. We manufacture and install hydraulic lifts which can offer you long service life and trouble free maintenance.

TYPES:

- ♦ Passenger Lift ♦ Twin Mast Goods Lift ♦ Scissor Lift

|| Hospital Lifts

Mainly used for carrying patients in hospitals, our range is spacious enough to accommodate various stretchers and patients in wheelchair. Backed up with emergency safety control features and widely acclaimed for optimum performance and long service life. We are just a call away for emergency breakdowns.

Dumbwaiters ||

We provide a complete line of standard and custom residential and industrial dumbwaiters for home or industry to suit your needs.

TYPES:

- ♦ Kitchen Lift ♦ Service Lift

|| Car Lifts

Car / Vehicle Lift is extensively used for the easy movement of cars and vehicles across the floors of buildings, malls, hotels, hospitals and showrooms.

TYPES:

- ♦ Parking Lift ♦ Stackers

AMC ||

We enter into AMCs which will ensure periodical servicing and maintenance of lifts to keep the lift in safe working order. We enter AMCs under the following:

- ♦ Preventive Maintenance
- ♦ Semi Comprehensive
- ♦ Comprehensive

|| Modernization

Even Lifts get out-dated and need an update to keep up with the modern trends. If you already own a Lift and want an upgrade, Modernization is the best alternative* instead of going for a new Lift which will be economical as well as rewarding.

|| About Us

Established in the year 1995, STAR ELEVATORS is counted amongst the leading manufacturer and supplier of Elevators.
